To AquilaKalagbor@outlook.com <AquilaKalagbor@outlook.com>

Dear AquilaKalagbor@outlook.com,

Congratulations!

We are pleased to inform you that, following your application, you have been shortlisted for the next phase of the **Geoplex Drillteq Limited Business Development Manager Recruitment**.

To move to the next phase of the selection process, you are required to complete a **Psychometric Assessment**.

You will gain access to take the assessment from **1:00PM Friday 28th August 2026 to 11:59 PM Sunday, 30th August 2026 (Nigerian Time)**.

Below are the details of the assessment to aid your preparation:

- It contains 60 questions
- You must complete it within 90 minutes
- The assessment will consist of 8 sections covering:
 - **Numerical Reasoning:** Tests your ability to interpret and analyze numerical data to make logical decisions.
 - **Verbal Reasoning:** Assesses how well you understand, interpret, and evaluate written information.

- **Logical Reasoning:** Measures your capacity to identify patterns, relationships, and logical sequences in data or concepts.
- **Problem-Solving:** Evaluates your ability to analyze complex situations and develop effective solutions.
- **Situational Reasoning:** Tests your judgment and decision-making in realistic, work-related scenarios.
- **Technical Reasoning:** Assesses your understanding of technical concepts and ability to apply them in practical situations.
- **Integrated Reasoning:** Tests your ability to evaluate information presented in different formats (such as tables, charts, and text) and combine them to make informed decisions.
- **Critical Reasoning:** Tests your ability to analyze arguments, evaluate evidence, and draw logical conclusions.
- Follow the on-screen instructions carefully
- You can go back to previous questions
- You can only attempt the assessment once.

Assessment Proctoring Requirements:

- Use a webcam-enabled device.
- Be sure to take the assessment in front of a plain background.
- Ensure you are in a quiet environment free of distractions while taking the assessment.
- Ensure your room is well lit
- Ensure you have a stable and reliable internet connection.
- Ensure there are no external aids, resources or human activity within your reach during the assessment.
- Do not communicate with anyone, look away from your computer or leave your seat during the assessment.
- Your screen will be monitored to ensure strict compliance with the assessment guidelines.
